The School Vision

At Saltford C of E Primary School we believe anything is possible. We know that children have the right to be provided with a creative, innovative and exciting education that will inspire them to become lifelong learners who are enthusiastic and proud of everything they do. We want every child to excel in all aspects of their learning within an immersive, imaginative, expressive and inclusive environment. We want children to become confident discoverers, explorers and creators who live our Christian values. We keep children as the focus of everything we do.
