

Welcome to
Saltford Primary School
We hope you enjoy this photo tour of our school.

This is the Main Entrance of Saltford Primary School.
When you follow the footprints on the path to the top of the school
drive, you will arrive here.

Inside the Main Entrance is our school office.

Here are the Early Years Foundation Stage classrooms

The corridor outside our EYFS classrooms is where we all hang our coats and bags.

The toilets are in this corridor too.

We have a lovely play area outside our classrooms.

We have a sandpit, a bike track, a mud kitchen and lots of other lovely things to play with.

We have some very big outside spaces for playtime and sport.

We will have our playtimes on the playground and the field.

Our school has a lovely Library and a quiet learning space called the Rainbow Room.

This is the big hall where we dance and sing. Sometimes we do PE in the hall. We have assemblies in here too.

We are looking forward to meeting you all, here at Saltford Primary School.

See you soon!
