Green Team Assembly

Term 6

World Environment Day

June 5th

At Saltford School, we are trying to do more to help our environment. We are your Green Team Members and today we aim to remind you about all of the things we can all do to be green and to live in a more sustainable way.

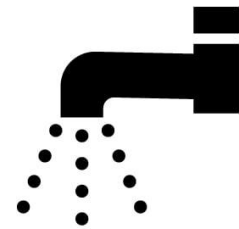

We are good at refilling our own water bottles and choosing our own salad or dessert to reduce waste.

Mission 1

We are good at monitoring our energy use
