

## Create a Music Band!

How would you like to create your own band? Well look no further! Here is a little project for the whole family and we would love to see your photographs and videos! Just follow the instructions below and have lots of fun!

### Art

**Thinking:** Think about your favourite images. Why do you like them? How do they stand out? What do they mean to you?

**Doing:** Find some of your favourite band logos. Why do you like them? What makes them stand out?

**Making:** Create a name and logo for your band and include the tone and colours that match your style.

### Technology

**Thinking:** Think about the most interesting costumes you have ever seen. Why did the costumes stand out? What does it say about the band?

**Doing:** Research some costumes and identify what you like about them.

**Making:** Look in your wardrobes and make costumes for your band. Try and link the costumes to your lyrics. Use different textures and styles.

### English and Music

**Thinking:** Think about some of your favourite songs. What do you like about them?

**Doing:** Research the lyrics of the songs. Try to understand the messages in the songs.

**Making:** Create your own song by writing some lyrics. Try and write some lyrics that show how much you love your family and your community.

### Dance and Drama

**Thinking:** Think about the best dance routines you can remember. Why did you find the routines interesting?

**Doing:** Research dance routines from bands, television shows and videos. Find your favourite dance routine or create your own.

**Making:** Make a dance routine for your band. Try and link the dance routines to the lyrics of your song.
