

This week your home learning challenge is to join in with the Big Garden Birdwatch.

Instructions

Pick a time

You can choose any hour between 29 and 31 January. So whether you're an early bird or a night owl, you can still take part.

Tell us what you see

Count the birds you see in your garden or from your balcony*. Ignore any birds that are still in flight. To avoid double-counting, just record the highest number of each bird species you see at any one time - not a running total.

*This year our advice is to take part in the safety of your own home. This could include a birdwatch from your window if you overlook a green space or courtyard.

Submit your results

Online: You can submit your results online at rspb.org.uk/birdwatch from 29 January until 19 February. For more details, activities and posters click on [this link](#)

These are some of the birds that you might see. You can use the tally to help you count. You'll find lots of tips on identifying birds as well as their calls at rspb.org.uk/birdwatch

The RSPB is a registered charity in England and Wales 207076; in Scotland SC033954. Illustrations by Mike Langren (rspb-images.com)
