### **Keynsham Foodbank Information**

Dear Parents,

Keynsham Foodbank is a local charity, part of the Trussell Trust, which distributes emergency food to local people experiencing short term financial challenges. Our school is working in partnership with the charity to ensure that this service is available to our families should they need support at any time.

The school has become a registered voucher distributor for the Keynsham Foodbank, enabling families to access a voucher to be exchanged for 3 days' worth of supplies at the charity's distribution centres in Keynsham and Bishop Sutton. The intention is that this food and basic needs package will ease the short-term pressure, while longer term support can be sought through appropriate agencies.

Vouchers can be accessed by meeting with Miss Elliott or Mrs Godwin. If you feel that this is a service you would like to access, please contact the school office by phone or email to make an appointment. You can be assured of our full support and discretion in this area.

Kind regards

Miss Elliott
