Dear Parents

This is a brief reminder of the Early Years Maths Workshop that will take place in the school hall, next Monday 9th October at 5.00pm.

This information evening for parents will guide you through exactly how we teach maths at school in your child's reception year and, crucially, what you can do to support your child at home to ensure their optimum progression.

We look forward to seeing you there.

Many thanks for your continued support.
