May 2024

Dear Parents and Carers

Whole School Forest School Project

Next term we will have our final forest school sessions with Claire Pickman – a qualified Level 3 Forest School Leader who has her own Forest School company - [Yew, Me & the Trees](#).

Claire will be planning and delivering sessions that are tailored to each year group and may include activities such as den building, fire making, tree and plant identification or outdoor cooking. This is being funded by our PTA and we are really grateful to them for the opportunity. We will be using our school site for these sessions and have a new 'forest school area' next to the school pond. This space has been resourced by the PTA also.

We will be aiming to get out in all weathers, so all children will need to wear suitable clothing (warm, comfortable trousers/shorts and school top/jumper) and ensure they bring waterproof clothing and wellies or walking boots. Many children have wellies in school so they can change into these before their session.

The dates for these events will be as follows:

Date	Year Group
Weds 5th June	Year 3
Weds 12th June	Year 6
Weds 19th June	Year 1
Weds 26th June	Year 4
Weds 3rd July	Year 5
Weds 10th July	Year 2

Many thanks,

Mrs Morgan
