## A few words from Mrs Sage...

Excitement is mounting for the summer fair on Saturday! Remember that children can still enter the Great Saltford Bake-Off which will be judged by GBBO winner Giuseppe Dell'Anno and me. Bakes must be brought to the Rainbow Room tomorrow morning. [Details of how to enter are here](#). Please also bring your cake contributions for the tea rooms and cake stall to the library. [Please also sign up here to offer what help you can](#) and continue to sell raffle tickets. The deadline for class competitions for the most raffle tickets sold is tomorrow. There is lots more information about the fair below.

**NSPCC assembly for KS1:** on Tuesday Mrs Morgan delivered the 'speak out, stay safe' message from the NSPCC to all of KS1 in an assembly. This is to help children understand and recognise abuse in a way that is appropriate to their age and is fun and interactive for them. If you would like to know more about this, please [see our letter here](#).

**Governor visit:** we were pleased to welcome our Governors to visit the school on Wednesday. It is important that they can see for themselves our normal school routine.

**Summer reading challenge:** we welcomed Debbie Bellinger from the B&NES Library Service in to tell the children about [this year's summer reading challenge](#) which is along the theme of 'Gadgeteers'. We encourage children to bring their challenge certificates to school after the summer holiday so that we can celebrate their participation in school.

**Special dinner menu:** [next Thursday's lunch](#) will celebrate the Chinese year of the tiger.

**Teaching assistant vacancies:** we are seeking to add to our group of available TAs who can be called on at short notice to provide cover in case of staff absence or in busy times. Please [see more information here](#) and [contact the school office](#) if interested.

**Please note** that Monday 11<sup>th</sup> July is an INSET day so school will be closed to children. Staff will be participating in the Futura Staff Conference.

**I am looking forward to meeting many of you at the summer fair on Saturday and to meeting our new Reception parents at tonight's meeting. I will also be attending the Welcome to KS2 meeting for parents on Monday.**  
Mrs Sage.

## Y3 Techniquet visit

Year 3 had a wonderful time at Techniquet in Cardiff last Thursday. The children thoroughly enjoyed exploring the exhibition space and having a go at all the activities. We then watched an interactive show on climate change. This is included many exciting experiments that demonstrated the effect of global warming. Alana said, "I really enjoyed how the fire tornado started to swirl around the big metal pot!". Thanks to the staff and helpers on the day.

## Year 4 music & drama

On Monday, Year 4 were treated to an afternoon of music and drama led by Ms. Hinchcliffe from Wellsway School. The theme was deforestation and the effect on the environment. They performed 4 movements which when put together told the story of the rainforest from its creation to its destruction together with what we could do to reverse this and create a more sustainable way of life that would benefit both us and future generations. They thoroughly enjoyed the experience and we would like to thank Ms. Hinchcliffe for leading this workshop and Mrs Nethercott for arranging it.

## We celebrate

**Eva P** of palm class who has cut off her hair to donate to the Little Princess Trust. See the photo of her proudly holding her certificate of thanks below.

**Fern S** of elm class for her learn to swim Synchrono 8 certificate.

 SPORTS REPORTS

## Year 6 camp Okehampton

The Year 6 children and staff had a brilliant time on camp in Okehampton last week. They enjoyed a wide variety of adventurous activities set against the impressive backdrop of Dartmoor. Whether cycling, climbing or firing a bow and arrow, the children took on every challenge with a smile and enthusiasm. They also faced some fears as they scaled the high ropes to dizzying heights or plunged themselves into lakes and rivers. It was wonderful to see our children showing their resilience and willingness to take risks. These activities were also picked out by the children as some of their favourites, with our day on the lake being the clear winner for many. All the children should be proud of how they conducted themselves (and for managing to get some sleep). The instructors at the venue said how much they enjoyed working with our children and that they would love to have a group like them every week. Well done Year 6! Thank you to all the staff who organised and accompanied the camp. We hope you enjoyed the pictures we posted on Twitter; there are a few more below.
